Dear Zara Ansari,

On behalf of The Indus Hospital, UAE branch, we thank you for choosing to be **Indus Youth Ambassador**. We acknowledge that you raised **AED 51783** for Pediatric Cancer Patients through IACAD permit number 4493 from **11th February 2022 – 11th May 2022** on Yallagive platform. The amount you raised will facilitate approximately **575 chemotherapy sessions**.

Your willingness to campaign for the cause of quality and free healthcare is a testament, that young can create an impact if they believe in themselves and wish to help others in times of despair, even if they are borders apart.

Thank you for your zeal, compassion, and commitment.

Warm Regards,

Dr. Amber Rashid
